Decisions reached by court published on internet

Sudačka mreža (Judges web) and High Commercial Court together with the Ministry of Justice have presented in Zagreb the project named “Decisions reached by High Commercial Court”, that publishes on internet decisions reached by High Commercial Court. The project, co-financed by the Kingdom of Norway, was realized according to the programme against fighting corruption.

Project is 118.000 euro worth and it took three years to plan it. On High Commercial Court website you can currently find 21.000 court’s second instance verdicts. The public will have insight in all the verdicts when they are published on internet.

Sudske odluke na internetu

●● Sudačka mreža i Visoki trgovački sud, u suradnji s Ministarstvom pravosuđa, predstavili su u Zagrebu projekt "Odluke Visokog trgovačkog suda", kojim se na internetu objavljuju sudske odluke Visokog trgovačkog suda. Projekt je realiziran u skladu s programom suzbijanja korupcije, a sufinanciralo ga je i ministarstvo vanjskih poslova Kraljevine Norveške.

Cijena projekta iznosi 118 tisuća eura, a pripreman je tri godine. Na web stranicama Visokog trgovačkog suda trenutno je dostupna 21 tisuća drugostupanjskih odluka suda. Objavom sudskih odluka na internetu, javnost će dobiti uvid u sve presude. **ANA LUČIN**
